

Sewing Pattern — Dress 5859

Recommendations on fabric: natural or mixed knit fabric of low or medium stretchiness

If the pattern has double contour the seam allowances are included.

Seam allowances are NOT included by default and need to be added when laying out and cutting details if your pattern has single contour.

Seam allowances: on hem and hem of sleeve – 1.5 cm, on back part and front part neckline edge – 1.5 cm, all other seams - 1 cm

Attention! First of all please print all the paper patterns and lay them out at the width of fabric you plan to use (usually from 90 to 150 cm) to see how much fabric you will need. Don't forget to count pair parts and symmetrical parts.

When sewing the garment, pay attention to notches, they must coincide.

CUTTING:

Main fabric:

1. Back part – 2 details
2. Upper front part – 1 detail
3. Lower front part – 1 detail

Advice:

Knitted fabric details are sewn together with special elastic or narrow zig-zag stitch. When serging cut seam allowances to 0.6 – 0.8 cm. Seam allowance on turnup is stitched with twin needles to save stretchiness. Details also can be sewn together via 3 or 4 – threaded serger.
