

## Sewing Pattern — Mantle 5726

Recommendations on fabric: soft wool

You will also need: fusing, leather piping (see the length on front part pattern), 5 large buttons, 4 small buttons.

If the pattern has double contour the seam allowances are included.

Seam allowances are NOT included by default and need to be added when laying out and cutting details if your pattern has single contour.

Seam allowance: 1 cm for all seams. 2 cm for sleeve hems (side edge of front/back parts) and upper/lower pocket's upper edges. 0 cm for front part/front edging; front part/front edging/back part hems; upper/lower slaps' lower edges; upper/lower pockets' three edges; collar ends/fall, stand-up collar's vertical edges .

Attention! First of all please print all the paper patterns and lay them out at the width of fabric you plan to use (usually from 90 to 150 cm) to see how much fabric you will need. Don't forget to count pair parts and symmetrical parts.

When sewing the garment, pay attention to notches, they must coincide.
